Valued Rec Member,

I hope you and your families are well and staying healthy through these uncharted times. The Rec staff is continuing to monitor federal and state guidelines and developing protocols to safely reopen. We anxiously await the day we can open our doors again. As you are aware, we extended EFT memberships one month in April and did not take out EFT payments in May. If we are unable to open by June 1st we are asking our EFT members to consider allowing the Rec to withdraw their June EFT payment. By agreeing to this, your membership will be extended by one month at no additional cost. I am hoping our EFT members would be open to this request to help the Rec see a bit of cash infusion into the operation and help us emerge a bit better when this craziness is over. Even though we are not open, building expenses, including utilities, insurances and leases remain. If you are willing to make this trade, please let me know at jds@ephratarec.com by May 27. Thank you for your consideration. The Rec staff and I are hoping to see you all soon.
