Ephrata Recreation Center 3 on 3 Basketball Rules

- Games are 21 points (win by two) or 30 minutes. If a game goes 30 minutes, the score at the whistle will be the final (no win by 2).
- If a game is tied at the end of 30 minutes, teams will play a 2 minute overtime period. The team with possession at the end of regulation retains possession for the start of OT.
- Field goals **inside** the arc are 1 point, **behind** the arc 2 points.
- A coin flip will determine first possession.
- The ball changes possession after all made baskets.
- The ball must be taken back on every possession change. Both feet must be behind the arc.
- The ball must be put in play at the top of the arc. The ball must be checked by the defense before being put in play.
- The ball must be passed to begin play.
- Fouls are call your own. Player fouled makes the call.
- If a player is fouled in the act of shooting and the basket is made, the ball changes possession. If basket is not made the fouled player's team retains possession.
- All fouls result in the fouled team retaining possession with the following exceptions: When either team gets to 10 points and/or the game is in the last 2 minutes, all fouls will be 1 shot. The ball will change possession after all foul shots regardless of whether the shot is made.
- NEW!!** With less than 30 seconds left in a game the defense can intentionally foul by touching the offensive player who has the ball and calling foul. This will stop the clock. Note: This is the only time the defense can call a foul.
- A 30 second clock will be in effect. If the court monitor thinks a team is stalling, he will issue a warning to the offending team. Any other stalling warnings will result in a change of possession.
- Alternating possession will be in effect on held balls.
- Teams are allowed two - 45 second timeouts/game. Only timeouts under 2 minutes will stop the clock.
- The court monitor will have the final decision on all disputes.
- No dunking or hanging on rims. Violation will result in the offending player being disqualified from the tournament.
- Unsportsmanlike behavior will not be tolerated: Any confrontations, verbal or physical, flagrant fouls, or verbal abuse of court monitors will result in offending players being disqualified from the tournament.
- Once a game has begun, no coaching is allowed by anyone other than team members. This includes calling timeouts and making substitutions. Violators will not be allowed in the gym.
