*Mon pm/Fri am _____ Tues pm/Sun am _____

Tues am/Sat am _____ *Wed pm/Sun am _____

Program Components:

Individual participants will be assigned to a team. Each team will be led by one of our nationally certified Personal Trainers. Due to the nature of this program, teams are limited to a size of 8 to 10 members. Positions on the teams will be given out on a first come, first served basis. If needed, make-up sessions can be arranged with other training time slots. Each participant will be required to meet exercise and nutrition commitments. Weekly results will be emailed internally and will include team rankings, as well as individual results.

Exercise and Nutrition Commitments:

- Teams will meet twice per week with their trainer and team for their workout. Participants will also be given exercise homework assignments to be completed between team training sessions. In addition, they will have the option to participate voluntarily in mentor workouts.
- Each participant will be given customized nutritional guidelines and be asked to keep a food log of everything they eat. This will include a daily tally of calories, carbohydrates, protein, fat, sodium, and fiber. Trainers will then provide support and feedback.
- Team members will weigh in together as a team each week.

Getting Started:

To register and be a part of the Rec's Guided Wellness Challenge, attend the information meeting on

Tuesday, April 11 @ 6pm or contact Bernadette Sheaffer, Wellness Coordinator, at 717-738-1167 x109.

Prior to beginning the program each participant will need to complete an exercise and health history questionnaire and in some cases, may be asked to get their physician's clearance.

'Go confidently in the direction of your dreams. Live the life you have imagined'.

Henry David Thoreau
