

ephratarec.com Website Clarifications

We hope your transition to using our new online registration system has been smooth and we appreciate your patience as we work to resolve any issues that may arise.

There are two ways to register for programs/classes online: as a member or as a guest. Some clarification about registering for the first time on our new website:

Register as a member (on the left side of screen) when:

- You have a current Rec Center membership
- You had a Rec Center membership that expired
- You are a current participant in a program or class
- You previously participated in a program or class

****If you have participated in any program with us or had a membership with us, you will still be in our system and can be sent login credentials via e-mail. Click "Forgot Password?/Create Login (for current or past member or program participants) Click Here" on left side of screen to start the process.***

Register as a guest (on the right side of screen) when:

- You have never had a Rec Center membership
- You have never participated in a Rec Center program or class
