Swim & Gym

Our preschool program includes weekly swim & gym! No prior swimming experience is necessary. We will teach your child water safety, floating, treading water and all the skills they need to swim.

In gym class, your child will develop their gross motor skills in a fun environment through music, games, directional activities and centers using scooters, bean bags, bouncing balls, balance beams, etc.

Let us help your child get ready for Kindergarten!

We would like to thank you for your interest in our preschool programs! Our goal is to prepare your child for an easy transition to Kindergarten. We have the only 3, 4 & 5 year old preschool program with weekly swim & gym classes!

Our preschool provides a comfortable atmosphere in which a child can grow and explore in a developmentally age appropriate way.

Children are provided the opportunity to develop physically, socially and emotionally through hands on experiences. We encourage both independence and social interaction with other children. We help to build self-esteem and confidence in each child as well as a broad foundation for success as a student.

Class Days/Times

We have three classes to choose from for 3, 4 & 5 year olds.
