- 2 group personal training sessions per week for 10 weeks
- Access to a personal trainer for consultations throughout the 10 weeks
- FREE group fitness classes and personal boot camps for duration of program!

Program Components:

Individual participants will be assigned to a team. Each team will be led by one of our nationally-certified Personal Trainers. Positions on the teams will be given out on a first come, first-served basis. Each participant will be required to meet exercise and nutrition commitments.

Exercise and Nutrition Commitments:

- Teams will meet twice per week with their trainer and team for their workout. Participants will also be given exercise homework assignments to be completed between team training sessions.
- Each participant will be given customized nutritional guidelines with in their BW handbook and be asked to keep a food log of everything they eat. This will include a daily tally of calories, carbohydrates, protein, fat, sodium, and fiber. Trainers will then provide support and feedback.
- Team members will weigh in together as a team each week on the second training session of the week.

Getting Started:

Prior to beginning the program each participant will need to complete an exercise and health history questionnaire and in some cases, may be asked to get their physician's clearance.

Your Body Achieves What Your Mind Believes!
