

**Our Nationally Certified trainers will customize your workout to address your unique fitness profile**

Visit the Cardio Studio to view our trainers photos and read their bios.

In doing so you'll have an opportunity to choose a trainer who best reflects your ideas and feelings about personal training. Our trainers have varied, diverse, and dynamic backgrounds, fitness passions, and are ready to help you take your fitness to the next level!

## **Land and Water Training Options**

## **1 on 1 Personal Training**

One on one training with a workout coach; your personal trainer will provide inspiration, motivation, and a wealth of information on the latest fitness techniques and strategies. Work with your trainer to set up a program that will meet your goals and maximize your time and effort. Sessions last up to 60 minutes.

**\$60/Hour Non-Member  
\$50/Hour Member**

## **1 on 1 Personal Training 6-Pack**

Serious about your goals?  
Sign on for a series of six sessions and let our trainers help you take your workouts to the next level!  
This is our **'BEST VALUE'** package!

**6-Pack Session: \$330 Non-Member  
6-Pack Session: \$270 Member**

## **Group Personal Training**

The same benefits as individual personal training but with a group of friends. See how group dynamics, motivation, camaraderie, and accountability enhance your workout. Ideal for groups of 3 to 8 participants. Sessions last 60 minutes.

**\$65/hr**

## **Move Better**

## **Feel Better**

## **Look Better**
