*****Registration Information*****

Registration forms for these programs must be submitted to the Rec Center **via mail or electronic submission**. A mail-in registration form appears on the back page of this booklet or you may use the Google form found on the homepage of ephratarec.com.

Beginning Mon. May 13, Summer Municipal Programs will be filled with the submitted forms. **A separate form (paper or Google) must be filled out in its entirety for each participant in each program. If using the Google form, please identify the camp name exactly as it's listed in this brochure.** If a fee is required, it must accompany the mail-in registration in the form of a check or money order (**no cash**). Make the checks payable to the Ephrata Rec Center. If participants are registering for more than one class requiring a fee, a separate check or money order must accompany each individual registration. For electronic submissions that require payment, the Rec Center will call you to make the payment over the phone by credit card prior to camp start date. ***Please note that unless you hear from us, your child is in the camp that he or she was registered for. The only way you will hear from the Rec is if a camp is filled to capacity.*** For more info, contact Maria Rotella at the Rec: 717-738-1167 x106.

The summer recreation programs consist of a variety of activities including games, contests, special events, and field trips, along with activities specific to each individual program. There are certain inherent risks found in these programs including the possibility of cuts, abrasions, bee stings, bruises, and broken bones. There is also the hazard of inclement weather and thunderstorms. The risk of exposure to Co-vid 19 may exist.

In case of medical emergency, every effort will be made to contact the parents or guardian of the child. In the event parents or guardian cannot be reached, a parental or legal guardian signature at the end of this waiver will give permission to the physician selected to hospitalize, secure proper treatment for, and order injection, anesthesia, or surgery for the above mentioned child.
